

Billion Barrel Scholarship – Cold Lake

Supporting Lakeland students as they take the next step in their education journey.

To recognize a major milestone at our Cold Lake Operations, Imperial is offering two scholarships each year to students from the Lakeland area who are starting post-secondary studies.

These scholarships are meant to support students who are building their futures through learning, community involvement, and leadership.

Dan, Cold Lake

What's offered?

- Two scholarships of \$5,000 each
- Awarded annually to eligible students from the Lakeland area
- Funds are paid after one month of confirmed attendance in your post-secondary program

Who can apply?

To be eligible, you:

- Graduated from a Lakeland area high school this year or last year
- Are enrolled full-time in the first year of a college or university program in Canada
- Are in a program that lasts at least two academic years
- Can show proof of acceptance
- Are studying any subject (students in programs connected to the petroleum industry may receive priority)

Deadline to apply:
June 1

How to apply

Head to imperialoil.ca/billionbarrel or scan the QR code. You'll find more details and the application form online.

"Moving away from home to attend university is costly; this scholarship will help ensure I am able to focus on my studies while giving me the freedom to pursue new opportunities in university!"
