

Supporting students with the Imperial Indigenous Scholarship program through Indspire

If you're a First Nations, Inuit, or Métis student heading to college or university, the Imperial Indigenous Scholarship can help cover the cost of your education.

Offered through Indspire's **Building Brighter Futures** program, this scholarship supports Indigenous students pursuing programs that connect with careers in energy, science, and technology, including trades and business.

Destiny, Indspire scholarship recipient

"The Indspire scholarship has provided me with critical support during a difficult time, helping with travel, gas, and daily expenses. It made a huge difference and allowed me to focus on my studies."
